## Coated Linens

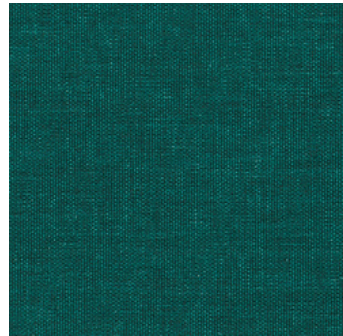

Coated Linens are strong and colourful with a subtle yet distinctive linen feel. Their top coating is dirt and water repellent which makes them more durable, perfect for photo boxes and albums that will experience a lot of handling.

Charcoal

Cobalt

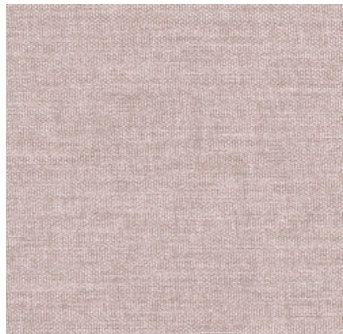

Moss

Sea Foam

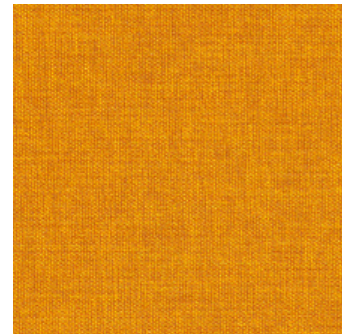

Water's Edge

Cherry Blossom

Hot Pink

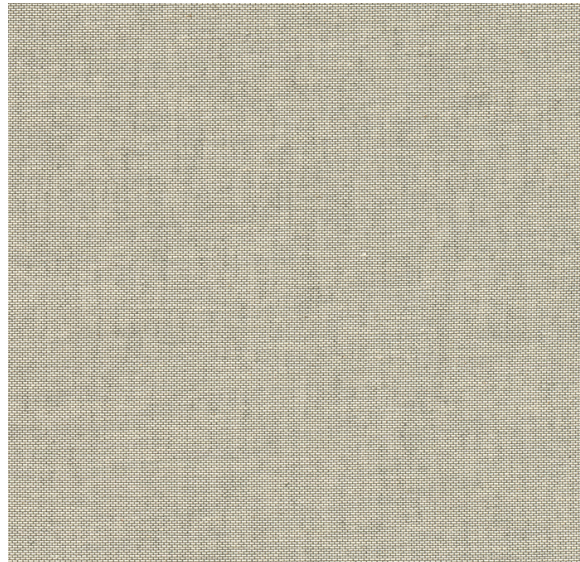

Golden Glow

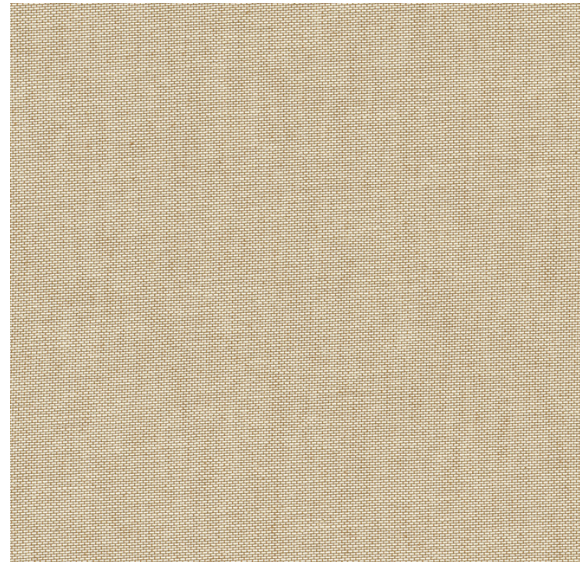

## Natural Linen

Their natural coarse structure make these linens particularly suitable for larger-sized books and albums. Flax fibres in these materials are certified under the Masters of Linen standard which means that the fibres are 100% EU grown and processed. All flax under this regulation is sustainably grown — respecting the environment and producing high quality fibres.

Misty Coast

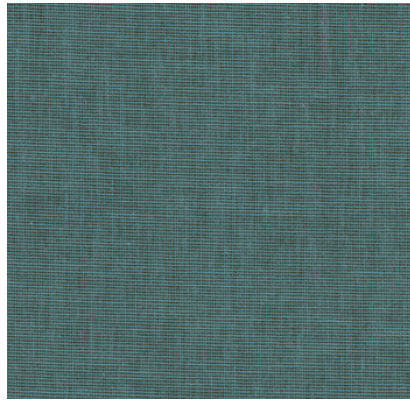

Sand

## Duo-Toned Linens

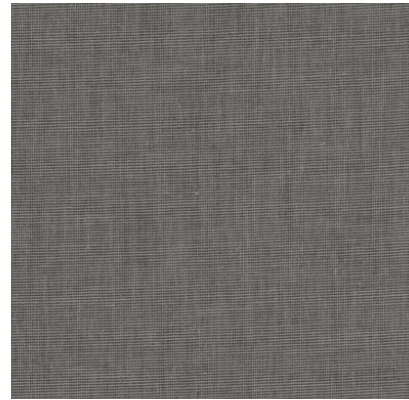

Our uncoated Duo-Toned Linens are FSC certified woven cotton fabrics with a matte natural finish. Offering a distinguished yet subtle two-tone effect.

Oat

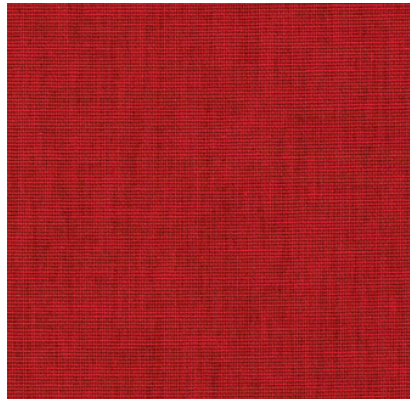

Evergreen Grey

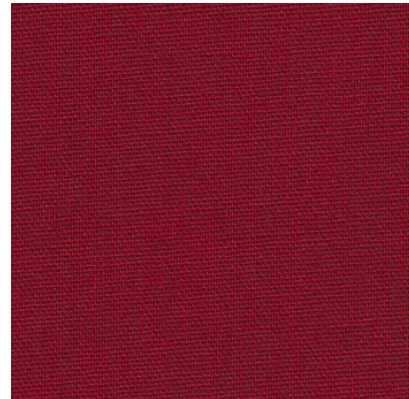

Nightfall

Apricot

Red Rose

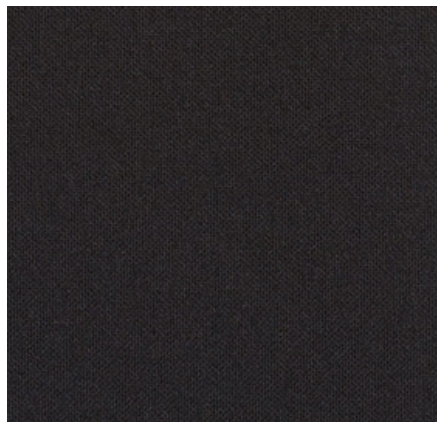

Sangria

# Library Buckrams

Buckrams have been the choice of bookbinders, publishers and libraries for many generations. They offer affordable beauty, quality and durability.

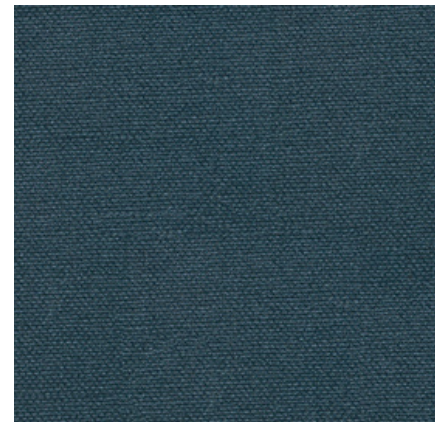

Carbon

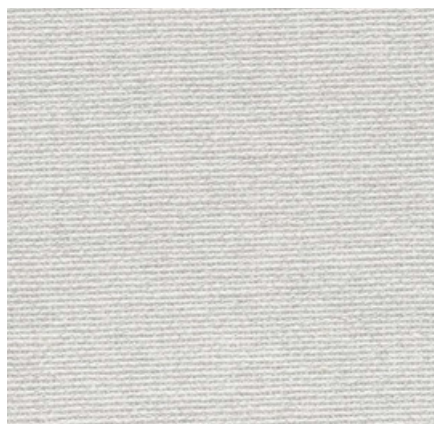

Gunmetal

Pearl

Night Sky

White

Champagne
